FOOD FOR FINES DECEMBER 2016

The Copper Queen Library has partnered with the Bisbee Fire Department to help collect food to distribute to those in need for the December holidays. All month long, library patrons are encouraged to pay off their overdue fines with cans of food (and other non-perishable food items). Each food item donated will count as \$1.00 toward your overdue fines. There will be no change given and food items cannot be used to pay off lost or damaged library materials. Library patrons are encouraged to donate food even if they don't have fines. Feel free to drop off items at the library circulation desk.

INTERNET SERVICE TO BE UPGRADED

Patrons will soon notice a faster internet speed on the public computers thanks to an upgrade in internet services. Our new provider will be CableOne and they will be increasing our speed from .5 megabytes to 50 megabytes.
