FOOD FOR FINES

The Copper Queen Library has partnered with the Bisbee Fire Department to help collect food to distribute to those in need for the December holidays. All month long, library patrons are encouraged to pay off their overdue fines with cans of

food (and other non-perishable food items). Each food item donated will count as \$1.00 toward your overdue fines. There will be no change given and food items cannot be used to pay off lost or damaged library materials. Library patrons are encouraged to donate food even if they don't have fines. Feel free to drop off items at the library circulation desk.

Secret Santa at the CQ Library

Looking for the perfect gift for someone you might not even know? Help reinstate someone's library borrowing privileges and become a Secret Santa this holiday season. This year the CQ Library will be inviting patrons to help replace lost or damaged library items and clear the accounts of those patrons who can't afford to do so. You may also purchase something off of the library's Wish List. Sponsor a book or dvd and give a gift the whole community will enjoy!

CQL REEL TALK DOCUMENTARIES

The Copper Queen Library will be hosting two documentaries with discussion to kick off our new programming series, Reel Talk.

Tuesday, December 27 @ 5:00

Peggy Guggenheim: Art Addict with discussion led by Charles Bethea.

"A colorful character who was not only ahead of her time but helped to define it, Peggy Guggenheim was an heiress to her family fortune who became a central figure in the modern art movement."

Tuesday, January 3 @ 5:00

Wrenched with discussion led by Michael Gregory.

"Award winning documentary Wrenched, by activist filmmaker ML Lincoln, captures the outrage and enduring inspiration of Edward Abbey, one of America's original irascible defenders of wildlands. Abbey lit the flame of radical environmental activism and gave the movement its soul."
