Fire Department

The Fire Department is headed by the Fire Chief, who reports to the City Manager. The Fire Department has five basic functional responsibilities which are described below.

Fire Suppression: Includes residential, automobile, and urban/wildland interface fires. Bisbee Fire Department practices fast attack firefighting in order to minimize risk to life, property and the environment. Once a fire has been extinguished, thorough salvage operations are conducted to preserve property, the environment and return structures to a habitable condition as quickly as possible.

Emergency Medical Services: are provided twenty-four hours a day by advanced life support personnel. Requests for medical aid constitute the majority of calls answered by the Fire Department. Fire Department paramedics and EMT's, respond to most medical emergencies within three minutes.

Fire Prevention: is responsible for hazard abatement enforcement, approval of building plans, public education, environmental protection and fire safety inspections. The small number of structures fires fought annually in the City of Bisbee is an indication of the prevention bureau's efficacy.

Training: of Fire Department personnel is conducted in accordance with county, state and federal standards. Firefighters, EMT's and paramedics receive updates and advances in techniques and technology, and participate in continuing education. To control cost, training is conducted in-house whenever possible.

Transfers: provides inter-facility transfer of patients to hospitals in Sierra Vista, Tucson, and Phoenix.

The costs of operating this department are high; however, revenue in excess of \$1 million is provided by 911 transports and interfacility transfers.

During the 2017 calendar year, the Fire Department responded to 2,866 calls. Most of these involved the following categories:

- Structure Fires: 7
- Bush Fires: 21
- Other Fires: 11
- Fire Good Intent: 67
- Emergency Medical Services (Includes good intent): 1,194
- Inter-Facility Transfers: 413
- Motor Vehicle Accidents: 58

Swimming Pool

The Bisbee Municipal Swimming Pool is a long-standing feature of Bisbee recreation. The City of Bisbee was awarded a grant for \$47,500 from Arizona State Parks in 1967 to build the pool for the youth of Bisbee. Total project cost was \$95,000 and was completed in 1969. It included a large pool with a diving board, a baby pool, and a building for change rooms. Since then, a Ramada with picnic tables was added, the original diving board was removed, and the change rooms have been restructured and major repairs have been made to bring the pool into compliance with the ADA. A large donation was made in FY17 to repair the baby pool. The pool will open to the public in May 2017 after a year of being closed.

Fiscal Year 18-19 Budget Highlights

Copper Queen Library

The Copper Queen Library, Arizona's oldest continuously-operating public library, is owned and operated by the City. It was established in 1882 and has served the residents of Bisbee from its current location at 6 Main Street in the Downtown Historic District since 1907.

The mission of the Copper Queen Library is to provide Bisbee residents of all ages with opportunities to achieve self-directed, personal growth and development; find, evaluate, and use information in a variety of formats; and better understand the various cultures represented in Bisbee. Last fiscal year, the library greeted **28,482** adult patrons and **3,416** juvenile patrons.

To further its mission, the Library acquires and organizes information in a variety of media, including books, newspapers, magazines, video, sound recordings, software, and the Internet. Last fiscal year, the library circulated over **53,000** items including **20,901** books, **29,029** DVDs, and **3,183** books on CDs. Also, **6,296** patrons used the library's public computers.

Library employees help train the public in library usage and offers educational and informational programs free to the public for both children and adults. Last fiscal year, **3,410** adults and **772** children attended programs.

The library also provides free meeting facilities for civic groups and other organizations. The Library elevator makes its services, programs, and collections accessible to all; additionally, both its Interlibrary Loan Service and its partnership with the Cochise County Library District enable the Library to provide services to blind and physically handicapped residents.

The Library is staffed by a full-time Library Manager, and one part-time programs coordinator (30 hours/week) and one part-time circulation desk clerk (19.5 hours/week). The library also receives assistance from volunteers who logged **739** volunteer hours last fiscal year, along with substantial financial assistance from the Friends of the Copper Queen Library.

Highlights from last fiscal to present include:

- **Pritchard Gallery**: In January of 2017, the Library debuted the Pritchard Gallery which features four shows per year from local artists on the main floor in the library's recently renovated Reading Room.
- **Balcony Scene**: In April of 2017, the Library debuted the Balcony Scene, which features Bisbee poets reading their poetry on the second floor balcony on the library throughout the month of April to honor National Poetry Month.
- **Best of Bisbee**: The readers of the Herald/Review voted the Copper Queen Library Best Educator for 2017, for its free educational programs which include weekly presentations, workshops, and classes. The Library also won second place for Best Customer Service, and Third Place for Art Gallery (Pritchard Gallery).
- **Food for Fines**: The Library had another successful year collecting canned/nonperishable foods for the Bisbee Fire Department's Holiday Food Drive. The annual program allows patrons to pay off their overdue fines with cans of food which are then donated to the Fire Department.
- **Secret Santa**: The Library's second annual Secret Santa allows library patrons to help reinstate a child's library borrowing privileges by replacing the lost and damaged items on their library accounts, thus clearing their delinquent accounts and returning the items back to the library's shelves for checkout.

- **Grants:** The Library received several grants over the past fiscal year, including a \$5,000 grant from the Arizona State Library to update the Library's Health and Wellness Collections for both Adults and Juveniles. The Library was also awarded a \$3,000 grant from the Arizona State Library to create a WiFi Hotspot lending programs that would allow patrons the opportunity to "check-out" the internet. In addition, The Library was awarded a \$3,000 grant from RAIN (Rural Activation Innovation Network) to implement a Preschool STEM (Science Technology, Engineering, and Math).
- **Seed Library:** The Library created a Seed Library in March of 2018 to encourage a learning community centered around the saving and sharing of heirloom seeds in our unique desert climate. Patrons are encouraged to "borrow" seeds to plants and grow vegetables and flowers and then "return" seeds harvested from their plants back to the Seed Library. The goal is to adapt seeds to our arid climate.
- **Pre-K Literacy Outreach:** In January of 2018, the Library was awarded a grant from the Bisbee Foundation and private donor to hire a Pre-Kindergarten Literacy/Parent Engagement Outreach Coordinator to facilitate a learning and literacy program to support parents in preparing children from infancy to age five for success in school.
- **San Jose Library Annex:** In February of 2018, the Library was awarded a \$40,000 grant from Freeport McMoRan to create a Library Annex in a classroom at the Melody Lane School in San Jose and to hire a temporary contractor to help further the library is its goal of promoting literacy and parent engagement in Bisbee.

Fiscal Year 18-19 Budget Highlights

- Budget includes increase in the program coordinator position hours from 30 hours/week to 40 hours/week. This extra time would allow the library staff to foster current and future projects including the Pre-K Literacy Outreach and allow for more time to explore additional grant funding to create additional programs for both adults and juveniles, as well as funding to fully build out the Annex.

Requested but not able to fund:

- reopen library on Saturdays.

Contingency

In order to provide for unexpected expenses, emergencies, and opportunities, it is necessary to appropriate funds as a contingency.

Fiscal Year 18-19 Budget Highlights

- In the FY18 budget the City's goal was to increase the contingency fund in FY19 to bring the amount to 10% of the General Fund budget to equal the minimum amount recommended by the Government Finance Officers Association (GFOA) of approximately eight weeks (or two months) of operating expenses. Based on the FY18 General Fund budgeted amount would have been \$695,000. The CM intends to fund the Contingency line with the City Hall fire insurance proceeds.

Public Safety - Fire Grants

Each year FEMA awards grants to eligible communities for the purchase of vehicles and equipment to enhance homeland security. In the past this funding has enabled the City to purchase a fire engine and an ambulance.

Fiscal Year 18-19 Budget Highlights

- Budget includes FEMA grant application for a 2000 Gallon Water Tender Pumper, \$ 265,000 the City of Bisbee share would be \$ 13,250. The City of Bisbee has been faced with water suppression issues when fighting fires and having a water tender available would be a resolution to the issue.
- Budget includes shared regional grant application with Naco Fire and San Jose Fire from FEMA to purchase new air packs, \$ 116,000 the City's share would be \$ 5,800. Bisbee Fire's current air packs are set to expire and will have to be replaced. This shared grant is an effective cost saving method to purchase the necessary equipment.

Streets Fund

The Streets Fund provides for the operation and maintenance of streets, alleys, sidewalks, stairs, drainage channels, right of way and street lighting throughout the City. The main source of funding for the Streets Fund is the Highway User Revenue Fund (HURF) other duties include repairing, replacing, or installing traffic and pedestrian signage, and controlling vegetation, which may impede vehicular or pedestrian traffic, or the visibility of signs or markers, preparation of all events conducted in the City and the clean-up after the events. There are 42 miles of local streets and 15,447 lineal feet of stairs in the City. Since the City discourages the use of herbicides, the vegetation must be cleared manually on both the roadside and the stairs. There are over a dozen major drainage ways in the City that must be cleared and cleaned after storm activity. The guardrails and handrails on both the stairs and the drainage ways must be maintained and the retaining walls that belong to the City must be preserved.
