

City of Bisbee Shared Use Path – Lavender Pit East Segment

IFB Addendum #1

Question's & Answer's

Listed below are responses to the questions received from prospective bidders as of 3:00 pm, on Tuesday June 30, 2026.

1. Can you help us out with the following? Page 6 of the IFB is calling for a 5% bid bond, but the bid proposal form on page 2 states it should be a 10% bid bond. Can you let us know which is correct?
 - a. It should be 5% for the bid bond.
2. Please confirm that all the new solar light poles are no longer part of the project and that just 1 pole needs to be relocated.
 - a. New solar light poles are no longer part of the project. Only one light pole needs to be moved. The details are shown on sheets 62 and 63 of the drawings.
3. Could you please confirm whether this project includes solar lighting solutions? I noticed that the previous bid was rejected and that a new solicitation has been issued.
 - a. This project does not include solar lighting options.
4. The Bid Tab for Bid Deduct 3 shows the milling item (2020084) and the grading item (2050001) in SY (1,674 SY and -3,322 SY respectively). Please confirm the units for both items is SF.
 - a. The values provided are correct in SF. When converted to SY, these bid items should be 186 and -369 Sq Yd respectively. The bid tab for Deduct 3 will be revised to reflect this change and posted to the City's website.

Also, please note the following text was added to the IFB document:

Section 1 Notice to Bidders: "Since the project was originally advertised in April 2026, the scope has been refined to remove pavement repaving from the travel lanes, and additional funding has since been secured."

Section 9: "Bidder is responsible for verifying current wage rates prior to submitting bid."

Reminder: All bids are due by 3:00 pm on Thursday, July 9, 2026.
