

Annual Bisbee Chocolate Tasting starts Valentine Week

January 27, 2017

Record
crowds at the
25th Annual
Chocolate
Tasting in
2016.

BISBEE - The 26th Annual Bisbee Chocolate Tasting, sponsored by The Friends of the Copper Queen Library for the benefit of free library programming, will take place on Saturday, February 11 at Central School Project, 43 Howell Ave. in Old Bisbee. Doors will open at 6 p.m. and chocolates will be served from 6 to 9 p.m.. The ticket price is \$10, which allows the ticketholder six samples of delicious chocolate.

If you're enjoying all the new Library programming this year, like the Library Film Series at the Royale and the new and improved Summer Reading Program for kids; or if you appreciate the new children's furniture and

books, the comfortable seating areas downstairs and the new bank of computers – then please come to the tasting and contribute so that the Friends of the Library can provide more in the future.

Chocolates are provided by commercial and home bakers from Bisbee, and will include nut-free and gluten-free delights for participants with dietary considerations. Coffee (donated by Rob Page), water and wine will be served along with the chocolate, for a suggested donation.

At the silent auction, bidders can vie for items donated by Bisbee's finest restaurants, shops, accommodations and galleries. Credit cards are accepted, so you won't miss out on that special something you can't resist!

It's easy to get to Central School – golf cart rides from the Bisbee Tour Company are available from the parking lot by the Convention Center and the parking lot across from the Bisbee Grand Hotel.

Tickets for the 26th Annual Chocolate Tasting are available now at the Friends of the Library bookstore, the Copper Queen Library, Finders Keepers, High Desert Market and Bisbee Olive Oil. Tickets are also available at the door on the night of the event.
