Presentation by City Manager Robert Smith regarding Regulations for Wireless Facilities in the Right of Way.

Agenda Item 2.

For Discussion and Possible Action: Amending the Special Use Permit Application.

Bisbee's existing Special Use Permit Application has proved to be too simple, more information is needed for our Commission, as well as Mayor and City Council to use in considering the appropriateness of individual Special Use Permits.

The Commission will be considering a proposed application prepared by staff.

Agenda Item 3.

Numerous complaints have been received by City Staff regarding the storage and parking of recreational vehicles including trailers and motorhomes.
