

# COPPER QUEEN LIBRARY'S ICE CREAM SOCIAL

AND LITERARY FAIR EVERY MAY AT THE SAN JOSE ANNEX

## ICE CREAM SOCIAL

The Ice Cream Social was started in 2018 to introduce Bisbee to the Library's new San Jose Annex and to demonstrate the importance of reading as a vital to a child's ability to learn and be successful in school. The Social connects parents, caregivers, families, child-care professionals and educators in a fun and delicious way! The event is held on the second Friday in May. If you or your organization would like to participate in this year's Social, please contact Library staff. The event takes place outside of the Annex Building.

## ICE CREAM

Ice Cream is provided in part by donations and the Friends of the Copper Queen Library. Past sponsors have included Safeway and Dairy Queen. The Social includes ice cream (of course!) and an assortment of toppings that can be added to create your own delicious sundae!

## PARTICIPANTS

Participating organizations are invited to host activity and informational tables during the event. Past participants have included Rotary, National Park Service (Coronado National Memorial), PBS, Bisbee Science Lab, Cochise County Library District, First Things First, the Cochise County 4-H Club. Table and Canopies are provided by the Library.

## SITE TOURS & LIBRARY REGISTRATION

The Social also gives attendees the opportunity to tour the Library Annex and learn about services and programs that the library offers. This is also an great time to register for a library card for yourself or your children and also register your children for the Summer Reading Program which is held in June and July. The Bisbee Science Lab also hosts an open house for their room also located in the Annex Building.
